

Summer Camps 2022

Mini Professionals Dance Academy will be holding four weeks of dance camps over the Summer! For ages 4 and over, both MPDA and non MPDA members are welcome to join us. Set to be jam packed with activities, it's an experience you won't want to miss!

Experience a wide range of dance styles including jazz, lyrical, contemporary, ballet, acro/gymnastics, hip hop and yoga. Have a go at creating your own choreography and receive the best training from our superb team of MPDA teachers and guest instructors. The camps are rounded off with a performance at the end of the week so that all of the hard work can be displayed to family and friends!

One week is dedicated to advanced/squad level students! Focusing on enhancing technique, perfect for all teens who wish to pursue dancing or who attend classes regularly.

PLUS we have our brand new Stage school week! Full of dancing, singing and acting, you can learn to be an all round performer!
